THE CLUB CHAMPIONSHIP

The Club Championship is run as a “Swiss” tournament over seven rounds, running throughout the season. It is open to members 14 years of age and over, and younger players at the discretion of the Committee.

The usual time-table allows three rounds before Christmas and four rounds after. Highest points score wins and in the event of a tie a play-off is held to decide the Champion.

The winner holds the title of Club Champion and the Championship trophy for one year, and receives an inscribed plaque for permanent retention. The Champion has the right to take Board 1 for the 1st team(s) in Club matches in the following season.

Cash prizes are offered for following places, plus grading prize(s) – as published in the tournament entry form. All results are submitted for ECF grading.

Entry Fee £2.50. Rules and Entry Form can be obtained from the Tournament Secretary.

All points scored in the Club Championship count towards the **Roy Wagstaff Memorial Shield** (see below).

Champion: David Spearman 6 pts.

=2nd: Ian Hunnable, Terry Whitton 5½ pts.

Grading prizes:

The winner holds the Lightning Championship trophy for one year. Entry £1 “on the night”; all entry fees are returned as cash prizes.

North Circular League

1st Team	–	Division A	6 boards
2nd Team	–	Division B	5 boards

North Circular League Knockout Cups

Lawrance Cup – 1st Division Teams

Finchley Cup – 2nd Division Teams

The Club is also entering the ECF National Club Major and Minor and Handicap Rapidplay competitions, and the Essex Team Blitz and Knockout Rapidplay. Additional matches will be arranged to fulfil our fixtures in these events.

All standard-play match results count towards the **David Wood Memorial Trophy** (see below). Each member’s best 15 standard play match results count towards the **Roy Wagstaff Memorial Shield** (see below).

RAPIDPLAY CHAMPIONSHIP

At the 2009 AGM it was agreed that we would organise a Rapidplay Championship for games played at the rate of 30 minutes per player per game. Following a survey of the membership, the organising committee has concluded that the most favourable time for holding this new competition was on a Saturday during the regular League season.

Accordingly, plans are now progressing to hold this event on Saturday 27th March 2010 in the Club room comprising six rounds, three in the morning and three in the afternoon. Further details will be announced in due course.

THE DAVID WOOD MEMORIAL TROPHY

The David Wood Memorial Trophy is awarded to the member securing the highest total of points in matches for the Club. (See David Wood Memorial Trophy Conditions.)

Winner 2008–09: Philip Staniland 20½ pts.

ROY WAGSTAFF MEMORIAL SHIELD

This handsome shield, to commemorate the Club's Founder, is awarded annually for each season's best overall performance, the winner(s) holding the trophy for one year. Points count towards the trophy in the following manner:

all points scored in the Club Championship, plus

" " " " " Lightning Championship, plus

" " " " " Blitz Championship, plus

plus each member's best 15 results in standard play matches for the Club.

The highest aggregation of points from these four sources secures the trophy; ties are not split, each member involved in a tie holds the trophy for a proportionate part of the year.

Winner 2008–09: Mark Murrell 27½ pts.

TITMAS TROPHY

This cup is awarded annually to the member who, in the opinion of the Committee, has shown the most improvement in standard of play during the season. This is conditional upon no player holding the trophy more than once and that the Club's stronger players are not eligible. Presented by Major W.J. Titmas in 1947.

Awarded in 2008–09 to: Phil Campbell

HANDICAP BLITZ EVENTS

To utilise evenings when there is otherwise no formal activity, time-handicap blitz tournaments will be organised. These events, of which notice will be given, will be run to the following format:

- core time 8 minutes on each clock per game;
- Rapidplay grades, where available, will be used;
- each player is allotted to a grading group:–
 1: >194, **2:** 175–194, **3:** 155–174, **4:** 135–154, **5:** 115–134, **6:** <115;
- for each game, the difference between the players' respective grading groups in minutes is deducted from the higher-graded player's clock and added to the lower-graded player's clock. The greatest time adjustment is therefore +/- 5 mins. Players in the same grading group play with equal time, 8 minutes each.
Example: Player A in group 3 plays Player B in group 5. Difference in grading groups is 2, therefore player A has 6 mins (8–2) player B has 10 mins (8+2).

MEMBERSHIP SUBSCRIPTION AND THE ECF

Out of the membership subscription, the Club pays its dues to the Essex Chess Association, the London League and the North Circular League, all of which are registered for the ECF's Game Fee and charge their member Clubs accordingly.

THE CLUB'S YEAR

The Club is in session all year and the board fee per Club night attended is payable at the same rate.

From late September to April/May, the principal activities centre on the match programme and the Club Championship. In the summer months, we participate in the Essex Team Blitz and the Summer Rapidplay Knockout, but otherwise Club night activity is of a more casual nature. During this period, we negotiate with Wanstead House a reduced rate for the cost of the room hire.

WANSTEAD HOUSE COMMUNITY ASSOCIATION

The Club is a "Constituent Body" of the Wanstead House Community Association and hires one or more rooms at the House one night a week. The bulk of the cost of the room hire is met out of the Board Fees charged.

All members of the Club are automatically enrolled as members of the WHCA as part of the Club subscription. This confers rights to use the bar and the car park.

Members of WHCA using the car park are requested to display their membership card in the car windscreen when parked, and to "double park" if necessary.

It is a House requirement for members to **sign in and out** when attending the Club.

41 Players (including 'DEFAULT')

All gradings given here, whether members' 2008 published grades or the figures given in the grading performance ("Est grade") column, are on the *old* grades basis. The new Grading List, published in August 2009 has modified players' grades by application of the following formula:

$$\text{Adult New Grade} = 0.81 \times \text{Old Grade} + 43$$

All of the above grades will need to be modified by application of this formula to relate them to the figures published in the new Grading List.

GUIDE TO LEAGUE TIME CONTROLS

London League

For all Divisions below Division 1, the time control is 36 moves in 1 hour 30 minutes, repeating. Unfinished games are adjourned and continued at second or subsequent sittings until finished. However, *if both players agree* before the completion of White's second move, the game may be played to a one-session format with a Quickplay Finish. The time control is then 30 moves in 1¼ hours followed by a 15 minute Quickplay Finish. FIDE rules for Quickplay Finishes apply.

Note: more complex arrangements are in force for Division 1 only. The above applies to ALL the matches the Club is currently involved with in this League.

Games played at **Athenaeum**, 36 Endell Street, are subject to slightly different arrangements. Athenaeum playing sessions at their home venue are 3½ hours long, starting at 6.45 pm. The time control is 36 moves in 1½ hours, *whether the players agree to a Quickplay finish or not*. If opposing players agree to a Quickplay finish (as above), this will commence after 36 moves rather than 30 as in the standard QPF time control. If a QPF is not being used, unfinished games are adjourned as usual.

The London League now specifically bans the use of in-ear audio devices during play. So, no iPods, MP3 or MP4 players, CD players, Walkmans, etc. Offenders should be asked not to use them and, if this warning is disregarded, subsequent use of the device will entail the loss of the game for the offender.

Essex League – All matches are one-session format

ALL Essex League matches are a one-session format on all boards. No adjournments, no adjudications; not even by option.

The time control is All moves in 90 minutes. FIDE Quickplay Finish rules apply.

North Circular League

The time control is 30 moves in 1¼ hours followed by a 15 minute Quickplay Finish. FIDE rules for Quickplay Finishes apply.

MOBILE PHONES

Mobile phones should be turned off during play.

The Essex League Rules specify that **if a player's mobile phone rings during play, that player shall lose the game**. However, Match Captains now have a dispensation to have a mobile phone on in silent mode until they have a full team or default time.

In the London League, the corresponding Rule is slightly more relaxed: if a player's mobile phone rings during play, the player will receive a warning. **Any further infringement and that player shall lose the game**.

In the North Circular League **if a player's mobile phone rings during play, that player shall lose the game**. There is, however, provision for having a phone in silent mode with the agreement of both captains ("arbiters").

CLUB CHAMPIONSHIP

Rules of Play

- 1 The rate of play shall be 36 moves in the first 1½ hours and 24 moves in each subsequent hour.

Prior to the start of the game opposing players may agree, if they wish, to a quickplay finish. The time control for a game conducted with a quickplay finish shall be 30 moves in 1hr 15 min. followed by the addition of 15 min. to each player's clock; the game is then to be completed in the total time remaining. FIDE quickplay finish rules will apply after the initial time control.

- 2 All players shall appear at the Club on the date published for the start of each round, ready to play.

If unable to attend and play on that date, a player shall seek dispensation from the Tournament Secretary to play on another date. Failure to appear and/or seek dispensation shall render the player liable to default.

A request for dispensation shall be made in writing to the Tournament Secretary and submitted at least seven days in advance of the due date for that round, with two suggested alternative dates on which the player is able to play the game, which if possible should be before the date for the next round. In the event that dispensation is granted, the Tournament Secretary shall give notice to the Opponent that the game has been postponed, notifying also the suggested alternative dates. The game shall be played on a date as directed by the Tournament Secretary who shall have due regard to the declared availability of each player.

- 3 All initial playing sessions at the Club shall commence not later than 7.30 pm at which time clocks shall be started. The initial playing session shall be 3 hours duration. Any player who has not been granted dispensation under Rule 2 and who has not appeared by 8.00 pm shall be defaulted.

Adjourned games being resumed at the Club shall be arranged so as to allow not less than 2 hours play.

- 4 At the completion of a game the result shall be recorded on the pairing sheet, or reported to the Tournament Secretary, by the player who had the white pieces. In the event that the game is completed away from the Club, the player having the white pieces shall report the result to the Tournament Secretary within three days.

- 5 In the event of an adjournment, the players shall agree a date for the game to be continued and such date shall be recorded on the pairing sheet before the players leave the Club following the adjournment of the game. In the case of a game being played away from the Club being adjourned, the player having the white pieces shall notify the Tournament Secretary within 3 days, of the date and venue of the resumption. In either case, in the event that the date shall be unsatisfactory to the Tournament Secretary, the game shall be resumed as he shall direct.

Year Book 2009–10 Appendices

- 6 Failure to start or complete a game within the time periods allowed under these Rules, shall render either or both players liable to default at the discretion of the Tournament Secretary.
- 7 After two successive defaults a player shall be deemed to be withdrawn.
- 8 Any point not covered by these Rules shall be decided by the Tournament Secretary.
